FBI-LEEDA, National Insurance Crime Bureau (NICB) and National Equipment Register (NER) invite you to participate in this one-day regional summit designed for:

- Law Enforcement
- Equipment Owners, Dealers or Rental
- Insurance Adjusters or Agents

General Session - Examines the equipment theft problem, recovery challenges and solutions. By exploring the growing problem of construction and agricultural equipment theft, the challenges that hinder equipment recovery and the latest equipment security technologies, attendees will be better prepared to join the fight against equipment theft.

Break-out Classes - Provide law enforcement with instruction in equipment identification training, while equipment owners and insurers explore theft prevention strategies and how to increase the chances of recovering stolen equipment.

Mid Morning Break - The morning break gives equipment owners and law enforcement an opportunity to discuss issues of common interest and ways to support each other's efforts in a non structured setting.

Registration is **FREE** for law enforcement, equipment owners and NICB or NER member insurers.
